The concert will support the fundraising effort on behalf of the City of Traverse City for the community's first off-leash dog park and to celebrate the success we've had to date. The park, located along Division St., at what was formerly known as Veteran's Park, will provide an inviting socializing opportunity for canines and their human friends alike. Ghost Heart has electrified audiences throughout the Midwest with its hypnotic stage presence and captivating, expansive rock songs. Spending a year refining their music before setting foot on stage, the veterans of various Grand Rapids bands have together created a performance that defies category. Tribal beats and full ranging vocals dominate their music; each song teeming with suspense, forever in build, in seamless flow from one to the next - leaving you both wanting and anticipating more.

*"Seeing Ghost Heart was one of those rare times when I leave a show super excited about a band previously unknown to me..."*  
*Detroit Metro Times*

Born in Detroit, Ivory began playing the guitar at the age of 16. Performing lap-style on a resonator guitar, Ivory has become deeply involved in Northern Michigan's musical community, hanging close to the music scene in all its manifestations.

TICKETS: \$15 each, as always, kids are free!
